SAMARPAN DARSHAN 2024

Our college organised *Samarpan Darshan - 2024* at Vasan village prathmik Shala with the guidance and support of our Respected Principal Dr.Raji Dennis. The science fair was graced by the presence of our campus registrar Dr M.D.Pande and the judges were Mr. Hardik N.Bhatt And Shivang B.Patel, from Nisarg Community Science Centre, Gandhinagar. The science fair were very interesting by the innovative ideas of our B.Sc student's project. Students of Vasan village Prathmik Shala had visited all the projects with great zeal. It was a great learning experience for the students alike wherein it seemed that the world of science practically came alive, through the blooming projects of our young student innovators.
