1ST INTERNATIONAL CONFERENCE 2024 ON INNOVATION AT THE INTERFACE: CHEMISTRY, BIOTECHNOLOGY, & BEYOND (IICB-2024)

The 1st International Conference on Innovation at the Interface: Chemistry, Biotechnology, & Beyond (IICB-2024) marked a milestone in interdisciplinary academic events. Held over two days on 13th and 14th December 2024, this conference aimed to foster collaboration and exchange of knowledge among scientists, researchers, academicians, and students in the domains of chemistry, biotechnology, and related fields. The event was jointly organized by Samarpan Science and Commerce College and Pandit Deendayal Energy University (PDEU). Around 400 participated in this conference.
