

Samarpan Science and Commerce College Gandhinagar

WORKSHOP ON PLANT TISSUE CULTURE 20TH FEBRUARY TO 28TH FEBRUARY 2025

The inauguration ceremony of the Plant Tissue Culture Workshop was held on February 20, 2025, at B-102, marking the official commencement of the event. The workshop is sponsored by the Gujarat State Biotechnology Mission (GSBTM). The event was graced by Dr. Bharat Maitrey, Professor, Gujarat University, as the Chief Guest. In his address, he emphasized the pivotal role of biotechnology in agriculture and research, highlighting the potential of plant tissue culture in crop improvement and sustainable development. Dr. Mitali Dabi, Manager, GSBTM, attended as the Guest of Honour and congratulated Samarpan College for organizing the workshop. A keynote address was delivered by Dr. Neelam Kumgwani, Assistant Professor, Gujarat Biotechnology University, who provided insights into the applications and future prospects of plant tissue culture. The workshop, which took place from 20th to 28th February 2025, aimed to provide hands-on training and knowledge on plant tissue culture techniques. Dr. Rahmi Bariya, Assistant Professor, IITE, Gandhinagar, graced the occasion as the Chief Guest. In her valedictory address, Dr. Bariya encouraged participants to apply their knowledge and skills in real-world scenarios, contributing to the betterment of society. Dr. Bariya also distributed certificates of participation to the participants, marking the successful completion of the workshop.
