

Career Counselling Seminar - 18 July 2025

SSCC organised a Career Counselling Seminar, which was delivered by our guest, Dr. Tushar Vinod Deoras, Chairman of Astute Career Counselling Academy and a renowned career mentor.

Principal Dr. Raji Dennis felicitated them with a memento and shared warm words of welcome along with Vice Principal Dr. Salma Ghanchi, and Head of Science Dr Margi Bhatt. Dr. Sam Mathew, Principal of Mehmedabad Arts and Commerce College, also remained present and blessed the occasion with his words.

Dr. Deoras provided valuable insights on career choices like Certified Public Accountant, higher education opportunities, and global career trends. His session was highly interactive. He concluded his lecture after an interaction with our students, addressing queries and guiding them with practical advice.

The seminar concluded with light refreshments, leaving students motivated and better informed about their career paths.
