

Samarpan Science and Commerce College

Today, the SSCC Career Counseling Committee organised an insightful seminar on 'Opportunities for Abroad Education' with Ms. Jalpa Raval from Global Reach, Gandhinagar, as the guest speaker. The seminar was conducted under the able guidance of the principal Dr. Raji Dennis and was graced by Vice Principal Dr. Salma Ghanchi. Faculty members and around 156 students from Science and Commerce departments enthusiastically participated in the session.

Ms. Jalpa shared valuable information about studying abroad, including courses, application procedures, scholarships, and career prospects. The session proved highly beneficial for students aspiring to pursue higher education overseas.
