

SAMARPAN SCIENCE AND COMMERCE COLLEGE

Under the able leadership of our Trustee sir, Shri Mahendrasinh Vaghela, registrar sir, Dr MD Pande, and with magnanimous support of principal, Dr Raji Dennis, SSCC organised an Expert Lecture in Microbiology on 25th Aug 2025. The lecture was delivered by Dr. Kalavati Prajapati, Assistant Professor at PHG Mun Arts and Science College, Kalol, on the topic Photosynthetic Metabolism.

Principal Dr. Raji Dennis graced the event with her kind words. Dr. Prajapati delivered a comprehensive presentation on the mechanisms and significance of photosynthetic metabolism in various organisms. She also discussed the applications of photosynthetic metabolism in fields such as agriculture, biotechnology, and environmental science.

This lecture provided students and faculty members with a deeper understanding of the topic. The department expressed gratitude to Dr. Kalavati Prajapati for sharing her expertise and knowledge.
