

## SAMARPAN SCIENCE AND COMMERCE COLLEGE

### Business Plan Presentation

On 11<sup>th</sup> Feb 2026, the Department of Commerce organised a Business Plan Presentation with the aim of developing entrepreneurial skills, boosting confidence, and providing practical experience in business planning.

Students presented their innovative ideas and gained valuable insights into real-world business strategies such as market analysis, market research, financial planning, sales and operational planning, and risk analysis.

The event was honoured by Judge CA. Nikita Panchal, who shared her valuable knowledge and insights. The session was also graced by our respected Principal, Dr. Raji Dennis.

The event was a great success, helping students enhance their creativity and deepen their understanding of business concepts for their future careers.
