

SAMARPAN SCIENCE AND COMMERCE COLLEGE

Campus Placement Drive 2026

On 2nd April 2026, a Campus Placement Drive was successfully organised with the objective of providing career opportunities and industry exposure to the students. The event witnessed active participation from reputed universities and companies, making it highly beneficial for all attendees.

As part of the drive, informative seminars were conducted by Deakin University, Tata IIS, and Anytime Fitness company. These sessions focused on higher education opportunities, skill development, and career pathways, helping students gain valuable insights into their future prospects.

Following the seminars, recruitment drives were conducted by Kalptaru Project International Ltd., Vimal Crop Care, and Ayuda Organics. These organisations carried out interviews to assess students' skills, knowledge, and suitability for various roles. A large number of students actively participated in the placement drive and appeared for interviews with enthusiasm and confidence. The process provided them with real-world experience in facing professional interviews and understanding industry expectations.

The event was successfully completed under the valuable guidance of Principal Dr. Raji Dennis, Vice Principal Dr. Salma Ganchi, and Science HOD Dr. Margi Bhatt, whose support and leadership contributed significantly to the success of the program.
