

## SAMARPAN SCIENCE AND COMMERCE COLLEGE

### Faculty Development Program

On 30<sup>th</sup> March 2026, Samarpan Science and Commerce College organised a Faculty Development Program (FDP) for the faculty of SSCC. The resource person, Dr. Sanjay Gupta (Director, Centre of Research, Children's Research University), delivered an exceptionally insightful session on the topic “NEP 2020 and Higher Education”.

He provided a clear roadmap for the vision of NEP 2020, focusing on innovative teaching methodologies and the holistic development of our students.

We extend our heartfelt gratitude to principal, Dr. Raji Dennis, for her constant guidance and support in facilitating this professional growth opportunity. We are confident that the insights shared by Dr. Gupta will significantly enhance the academic approach our faculty members.
