

SAMARPAN SCIENCE AND COMMERCE COLLEGE

Faculty Development Program

On 28th March 2026, Samarpan Science and Commerce College organised a Faculty Development Program (FDP) for the faculty of SSCC. The resource person, Mr. Anal Salshingikar, from NFSU, Gandhinagar, delivered a lecture on the topic “Role of AI in Teaching and Learning”. The session provided valuable insights into the practical applications of Artificial Intelligence in the academic domain. Mr. Salshingikar also demonstrated hands-on techniques for creating effective PowerPoint presentations and informative posters using AI tools. He also guided the staff members on generating quality academic content and shared structured approaches to writing research papers.

The interactive nature of the session enabled faculty members to actively engage and explore innovative ways to integrate AI into teaching and learning practices. Overall, the session was highly informative, enriching, and beneficial for enhancing digital competencies in education.
