

SAMARPAN SCIENCE AND COMMERCE COLLEGE

Industrial Visit to Vikram Sarabhai Research Centre

An educational visit for B.Sc. students of Physics and Mathematics was organised to Dr. Vikram Sarabhai Exhibition Centre, Ahmedabad. The visit provided students with valuable practical exposure to space science, satellite technology, ISRO missions, satellites and their orbits, NavIC, satellite construction, Indian rockets and launch vehicles, and missions to the Moon and Mars.

Students gained meaningful insights into the science, technology and planning behind India's space missions.
